

# Shelters

We've got you covered...

## Smoking Shelters

Clark Handling supply a range of standard Curved or Flat roof Smoking Shelters, including seating and wall mountable cigarette bins.

Base plate feet are fully adjustable for easy on site levelling, and can be fixed to solid concrete.

Standard colours are available in Blue, Green, Silver Grey, Black, White and Red. Using durable polyester coated mild steel framework.

## Cycle Shelters

Clark Handling supplies a range of standard Cycle Shelters, Cycle Compounds, Cycle Racks and Stands to suit individual needs.

All Cycle shelters are galvanised as standard with an option to polyester powder coat to give extra durability and a nice colour finish.

Clad with 4mm polypropylene glazing impact resistant and UV protection. Optional glazing available to the sides

Bespoke Cycle shelters can be made to suit your site, where standard units may not fit.

## Motorcycle Shelters

Clark Handling supply a range of Motorcycle Shelters similar to the standard cycle shelters, using pre-galvanised steel framework and an option to powder coat to a range of standard colours. Clad with 4mm polypropylene glazing impact resistant and UV protection. Optional glazing available to the sides

## Bespoke Shelters

Bespoke Shelters can be tailor-made into Waiting Shelters, Pay Point Shelters, Pram Shelters and Canopies, using heavy duty galvanised steel framework and a choice of standard colours.
